## **16. Criteria for admission**

Candidates will be required to meet the regulations for admission within QMU's Taught Postgraduate Framework. These can be found on the QMU Quality website section 5:

In some cases it may be necessary to require applicants, who do not clearly meet one of these entry requirements to attend for interview and/or prepare a piece of written work. We routinely suggest that candidates not only attend for a visit at QMU but are offered the opportunity to attend a class, meet with existing students and see if QMU is right for them.

#### English Language requirements

The minimum English language requirement for entry to the programmes is IELTS grade 6.5, with no element of performance lower than grade 5.5.

Applicants falling one increment below (e.g. 6.0) the required standard entry for admission may be admitted on condition of full attendance at the 4 week pre-session course operated by the QMU Effective Learning Centre.

Applicants reaching IELTS 5.5 will be considered for admission if they are able to fully attend and complete the newly introduced 12 week Pre-Sessional Course operated by the QMU Effective Learning Centre.

### **17. Support for students and their learning**

QMU programmes normally provide the following student support:

- Personal Academic Tutors
